OUR SCHOOL THANKS YOU!

On October 10th, the students of Berlin Elementary took part in the *First Annual Berlin Elementary Walk-a-thon*. Rather than selling "sweets, treats, and trinkets" this year, we decided to run for wellness and keep 100% of the profits in *our* school for *our* children! This event exceeded our expectations in every way! The weather was picture perfect and the excitement of the students and staff was contagious as they raced about the track at Edison in their orange and blue! The EHS Charger athletes cheered for our students and gave them a tour of the CHARGER locker room where they explained how important healthy lifestyles and good grades are to all Charger teams. To our amazement, the 303 students at Berlin Elementary raised over \$5,050.00. These funds will be used by our Berlin Parents Club for classroom supplies and special equipment to enhance the learning process for our students. Words cannot adequately express our thankfulness for the support of our community for this special event. We are truly grateful! THANK YOU!

Berlin Elementary Students Race for Wellness!

Upcoming Events

<i>Professional Day:</i>	Oct. 17
<i>Community Council Mtg. 7pm School Library</i>	Oct. 21
<i>Adult Education : 6 pm Word Processing in the</i>	Oct. 22

**Election Day
November 4th!**

Please Vote!

**Parent Teacher
Conferences**

November 4th and 6th

**Dismissal at 12 Noon
No lunches will be served!**

Family Fitness Fun!

We hope that our Walk-a-thon inspired our families to make physical fitness an important part of daily life. Beginning in November, a **Family Fun Fitness Sheet** will be going home with each child at the beginning of the month. Families that log 5 hours of fitness activities (walking, biking, raking leaves, sledding, etc.) during the month, will sign the Fitness sheet and return it to school for a special charm to be added to Mileage Club key chains that are kept at school. During November, students will be able to earn a turkey as our families do the *Turkey Trot...* our theme for the month of November! Research tells us that students who exercise and are physically fit are not only healthier, but also learn more at school! Start slow...do a little more each month...and become a healthier family!

Thank You Witt Rental!

We are very grateful to Witt Rental for partnering with our 5th Grade Parents to raise funds for the annual 5th grade Greenfield Village trip at the Basket Festival this year. Mrs. Courtney Rankin and her crew raised nearly half the money needed for the trip during this jumping event! Thank you!

Recycling Club

Many of our students in grades 4 and 5 have joined the Recycling Club. They have decorated boxes for each classroom, posted signs, and encouraged others to recycle both at home and at school!

Please don't forget we are still collecting cans at the main lobby door. Profits are used to support our Berlin Publishing Center.

EHS students are shown in the Charger locker room discussing healthy eating and exercise habits and good study skills with Berlin students during our 1st Annual Walk for Wellness! We are extremely grateful to the community for their support of this event. Proceeds will fund special school projects!

Berlin Township Fire Department!

During Fire Prevention Week, the Berlin Fire Department held a wonderful outdoor assembly for our students. They explained that in addition to fighting fires, they are also involved in many rescues during the year. Here the firefighters demonstrate the Jaws of Life!

We are on the Web! Please visit the site to see additional grade level events!
